DOE AND DTI AWARDED FOUR LPG DEALERS IN BAGWIS PROGRAM

THE WINNERS and presentors: From left to right, DOE Usec. Jose M. Layug, Jr., DOE Sec. Rene D. Almendras, Mr. William Chua (HandyGas Corporation for Liquigas and authorized outlet of Shellane and [illegible]), Mr. Jimmy Mercado ([illegible] Enterprises for [illegible]), Mr. Adelio Cupon (Peter Pan LPG Gas Dealer for [illegible]), Ms. Sonia Chua (Butangas Corporation for Totalgas and Superkalan), DTI Sec. Gregory L. Domingo and DTI Usec. Zenaida C. Maglaya.

The Department of Energy (DOE) and the Department of Trade and Industry recently awarded four (4) exemplary liquefied petroleum gas (LPG) dealers under the DOE-DTI Bagwis Program.

The awardees were Mr. Adelio Cupon (Peter Pan LPG Gas Dealer for Pateros Gasul), Mr. Jimmy Mercado ([illegible] Enterprises for [illegible] Mindoro), Mr. William Chua (HandyGas Corporation for Liquigas and authorized outlet of Shellane and [illegible]) and Ms. Sonia Chua (Butangas Corporation for Totalgas and Superkalan).

The said award aims to give recognition to LPG dealers who are compliant to all trade laws implemented by DOE and DTI. This also aims to promote the highest level of business ethics by upholding a fair, honest and safe marketplace for the interest and protection of the consumers. Moreover, the program encourages the setting up of consumer welfare desks and excellent store management operations aligned to quality management system or ISO 9001.

DOE Sec. Rene D. Almendras and DTI Sec. Gregory L. Domingo together with DOE Usec. Jose M. Layug, Jr. and DTI Usec. Zenaida C. Maglaya presented the awards to the four (4) winners.

Witnessing the event were Director Zenaida Y. Monsada (DOE-Oil Industry Management Bureau), Director Ronaldo del Rosario (DTI-NCR), Ms. Mercedita G. [illegible], Executive Director of the LPG Industry Association, Mr. Jose Pepito of the National Consumer Affairs Council, Ms. Victoria Padilla of the Philippine Product Safety and Quality Foundation, and their staff responsible for the program. Some aspiring awardees were also present during the event.

The DOE said that this undertaking is one among many programs initiated by the government to encourage voluntary self-regulation and service excellence. This joint effort between the DOE, DTI and the private sector is an important factor in ensuring that consumers get their money's worth in terms of good quality LPG cylinders, right quantity (weight) of the LPG content and good services by the LPG dealers. In his message, Sec. Almendras emphasized that beyond the feeling of fulfillment with the award is being able to sleep soundly at night knowing that you have served the consumers well and will not be a cause of potential problems, e.g. fires related to LPG.

LPG companies are also encouraged to entice their dealer to participate in the Bagwis program.

BIBLE SEMINAR ON

THE DAY CHRIST DIED FOR ME

The death and resurrection of Jesus is a core belief in Christianity. However, uncertainties about the EXACT timing of this event exist until this very day. When asked for a heavenly sign by the Pharisees, Jesus declared saying: "... just as Jonah was three days and three nights in the belly of the great fish, so shall also the Son of Man be three days and three nights in the heart of the earth."

Surely, the traditional Friday crucifixion and Sunday resurrection belief will not fulfill this prophecy. Can we definitely ascertain that Jesus indeed was three days and three nights - a total of 72 hours - in the grave as He said He was? Be with us as we tackle this challenging study about the exact timing of the death and resurrection of our Lord and Savior.
